

Taming a Budget Buster! Ear Infections: What You Can Do about Them

Personalized Hands-On Training Class
with
Kara Diersing Clapp, PhD, Family Nurse Practitioner

You will receive:

- an otoscope for your personal home use (*\$30 value*)
- personalized hands-on training on how to use the otoscope and supervised practice time.

You will learn:

- about ear anatomy
- how to recognize: "normal", "this is a wait and watch" ear, and "oh, heck my child needs a same day appointment" ear
- When antibiotics are a must and when to use alternative medicine to treat.

**Contact Kara for more information and to sign up.
Cost: \$75**
